State-wise targets of family planning

294. SHRI PARVATHANENI UPENDRA: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) the State-wise targets of family planning by sterlisations and other methods fixed for the year 1985-86;

(b) the actual State-wise performance in the field of family planning;

(c) the steps whose performance has been poor and the reasons therefor; and

(d) the steps proposed to be taken by the Central Government to provide further incentivs for family planning to achieve the targetted results?

THE DEPUTY MINISTER IN THE DEPARTMENT OF FAMILY WELFARE (SHRI S. KRISHNA KUMAR):

(a) and (b) The State-wise and method-wise targets of family planning fixed for 1985-86 and the achievements made so far based on the latest reports received from States are given in the attached Statement.

(c) and (d) The family planning performance depends on a number of factors including prevalent socio-economic conditions, the outreach of delivery system, efforts made in demand generation and the efficiency of programmes management, Government has prepared a well defined strategy to achieve the goals set under the Family Welfare Programme. The main features of the strategy are increasing demand for contraception through improved communication approaches; expanding and improving the quality of outreach services, promoting greater commodity participation; intensifying population education; enhancing child survival rates; and re-organising programme structure and improving its management. Incentives to personnel engaged in the programme is also a part of the stretegy and different States have instituted different systems in this regard.
